|  A hand-drawn sketch of three overlapping circles arranged in a triangular pattern. The circles overlap in the center and at the intersections of their perimeters.                                            |  A drawing exercise titled 'Connect the Dots'. It features two vertical columns of ten dots each. Lines connect the dots from both columns to a single central point, creating a symmetrical, butterfly-like or flower-like shape. |
| Draw a Person in the Rain                                                                                                                                                                                                                                                                       | Draw a House and a Tree                                                                                                                                                                                                                                                                                              |
|  A drawing of a person standing in the rain. The person is depicted with a simple outline, wearing a long coat and a hat. The rain is represented by numerous short, slanted lines falling around the figure. |  A drawing of a house and a tree. The house is on the left, with a chimney and a window. A large, leafy tree is on the right, partially obscuring the house. The drawing is done in a sketchy, expressive style.                  |
