

**Part 1: The SELF-REPORT**

Below are 24 items. Please indicate how much you agree or disagree with each by put a **MARK** ✓ in the blank after each statement, according to the following scale:

|                       |              |             |           |                    |
|-----------------------|--------------|-------------|-----------|--------------------|
| 1 = Strongly Disagree | 2 = Disagree | 3 = Neutral | 4 = Agree | 5 = Strongly Agree |
|-----------------------|--------------|-------------|-----------|--------------------|

Read each statement carefully. Some are phrased positively, others negatively. Answer quickly there are no right wrong answers. Trust your first instinct. If unsure, select what applies most of the time.

|                                                           | <u>1</u> | <u>2</u> | <u>3</u> | <u>4</u> | <u>5</u> |
|-----------------------------------------------------------|----------|----------|----------|----------|----------|
| I feel emotionally drained.                               |          |          |          |          | /        |
| I feel enthusiastic about my activities.                  | /        |          |          |          |          |
| I find it difficult to look forward to things.            |          |          |          | /        |          |
| I wake up feeling positive about the day ahead.           | /        |          |          |          |          |
| I feel a sense of emptiness.                              | /        |          |          |          |          |
| I laugh easily.                                           |          |          |          | /        |          |
| I experienced a heaviness in my chest.                    |          |          |          | /        |          |
| I feel a general sense of well-being.                     |          |          | /        |          |          |
| I have less interest in activities I usually enjoy.       |          |          |          |          | /        |
| I feel at peace with myself.                              |          |          | /        |          |          |
| I feel less optimistic than usual.                        | /        |          |          |          |          |
| I experience a sense of contentment with my life.         |          | /        |          |          |          |
| I feel a sense of purpose in my daily activities.         |          | /        |          |          |          |
| My thoughts tend to be more negative than positive.       |          | /        |          |          |          |
| I feel like crying.                                       | /        |          |          |          |          |
| I feel grateful for what I have.                          |          |          | /        |          |          |
| I feel disconnected from others.                          | /        |          |          |          |          |
| My energy levels are lower than usual.                    | /        |          |          |          |          |
| I am satisfied with how things are going in my life.      |          |          |          |          | /        |
| I find it easy to enjoy the present moment.               |          |          | /        |          |          |
| I feel optimistic about the future.                       |          | /        |          |          |          |
| I feel a general sense of loneliness.                     |          | /        |          |          |          |
| I feel cheerful most of the time.                         |          |          |          | /        |          |
| I feel less enthusiastic about activities I once enjoyed. | /        |          |          |          |          |
